SAMA AL OLA
GENERAL CONTRACTING

Company *Profile*

ESTABLISHED 2023

GENERAL CONTRACTING | INTERIOR FIT-OUT | MAINTENANCE | AIR CONDITIONING | MEP WORKS

ABOUT US

Built on quality. Delivered with *integrity.*

Established in 2023, Sama Al Ola General Contracting specialises in construction, maintenance and specialised contracting works.

Our engineers, technicians and project managers deliver residential, commercial and industrial projects of all scales — to the highest engineering standards, on time and within budget.

OUR MISSION

To deliver outstanding construction and maintenance services that exceed client expectations through technical excellence, professional integrity and *attention to detail.*

VIP Villa · Al Saadiyat

OUR VALUES

01 **Quality**
Commitment to top-grade materials and industry-leading techniques.

02 **Reliability**
Delivering projects on time, every time.

03 **Transparency**
Clear communication and honest dealings with clients.

04 **Safety**
Strict compliance with health and safety standards.

05 **Innovation**
Modern, cost-effective and sustainable solutions.

WHY CHOOSE US

What sets us *apart*

01

Excellence

High-quality projects delivered to the highest engineering standards.

02

Integrity

Professional integrity, clear communication and honest dealings with every client.

03

Innovation

Modern, cost-effective and sustainable solutions for projects of all scales.

04

On Time, On Budget

Strict adherence to project timelines and budget requirements.

05

Skilled Team

Engineers, technicians and project managers committed to every project.

06

Safety First

Strict compliance with health and safety standards on every site.

SERVICE A

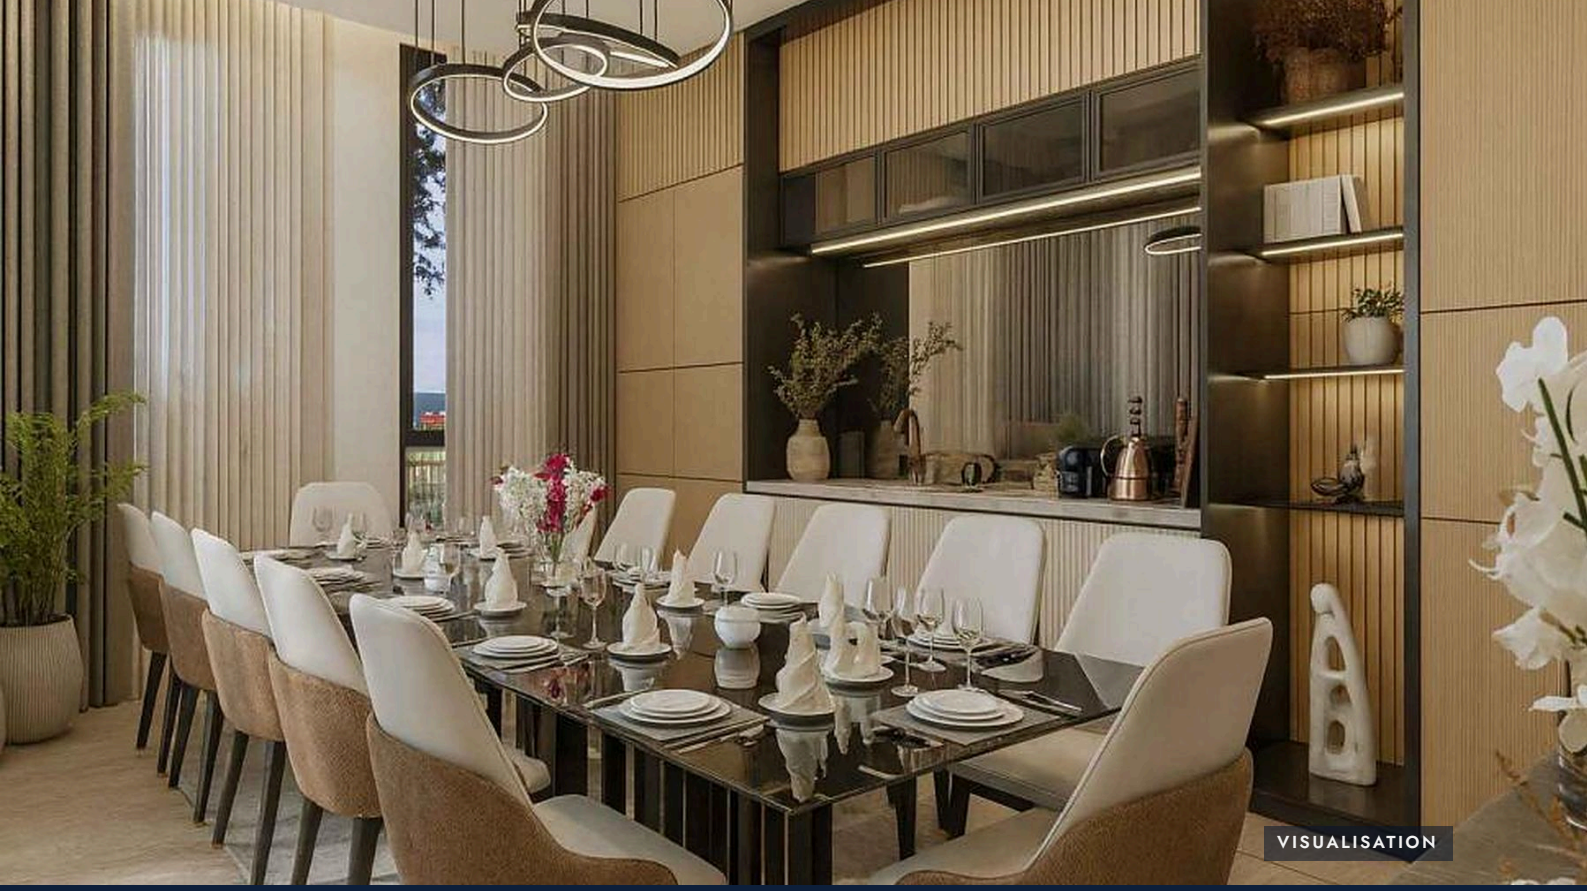

General *Contracting*

Execution of all types of building projects for the residential, commercial and industrial sectors, with strict adherence to the highest quality and safety standards.

- Concrete and steel construction works
- Engineering supervision and project management
- Interior and exterior finishing works

Main contracting · Villa Mohammad Al Kaabi, MBZ City

Formal dining · VIP Villa, Al Saadiyat

SERVICE B

Interior Design *& Fit-out*

Complete turnkey interior solutions for new or existing offices and retail spaces, tailored to each client's business requirements — from floor to ceiling, and everything in between.

Our manufacturing facility is equipped with advanced machinery that we continually upgrade, giving us the flexibility to handle small production runs as well as large, significant projects.

OUR SERVICES

- Design & build
- Turnkey interior solutions
- Interior fit-out
- Space planning
- Aluminium works
- Carpentry works

OUR FOCUS

- Office fit-out
- Retail fit-out
- Home interiors
- Hotel interiors
- Exhibition stands
- Joinery solutions

Counter joinery · Le Méridien Hotel, Abu Dhabi

SERVICE C

Building Maintenance *& Facility Management*

Integrated building maintenance services to ensure durability and aesthetic appeal, including:

- Scheduled facility maintenance
- Repair of damages and defects
- Renovation and rehabilitation works

Electrical & air-conditioning works · Hitachi Zosen Offices, Abu Dhabi

SERVICE D

Central Air Conditioning *Maintenance*

Comprehensive maintenance services for all types of central air-conditioning systems, including:

- Regular inspection and fault diagnosis
- Cleaning and servicing of cooling and ventilation units
- Replacement with original spare parts
- Performance optimisation

SERVICE E

MEP *Works*

Supply and installation of complete HVAC, electrical and plumbing systems, including testing and commissioning.

- HVAC systems
- Electrical systems
- Plumbing systems
- Testing & commissioning
